Dear fellow pilot

As you no doubt already know Enniskillen (St Angelo) Airport is now open. The airport facilities are being enhanced. This includes new hangars, restaurant, Nav Aids, pilot facilities, runway lights, PAPIs etc..

To take full advantage of these you can apply for Annual Membership. The cost of this is only **£200.00** including VAT for each aircraft (up to MTOW 2,999 kg). This applies to both fixed wing and rotary on Private Category. Rates for aircraft on Transport Category (Passenger) are available on request. The benefits of Annual Membership are:

- Unlimited landings and Touch & Gos.
- Out of hours landings.
- Night flying.
- Use of Nav Aids (NDB & DME) – Training purposes only.
- Duty Free fuel (conditions apply).
- Out of hours fuel.
- Use of airport's facilities.
- Use of flight planning facilities.
- Use of computerised met information.
- Use of pilot's lounge.
- Use of restaurant and bar.
- Free entry to all aviation and non-aviation events at the airport.

All above benefits will become available in due course.

Daily landings fees are also available. We no longer have hangar space available but we have new hangars planned for 2005/6.

We look forward to welcoming you to Enniskillen Airport and we greatly appreciate your support.

Yours sincerely
