

The Pilot Training College Waterford Ireland

January 2006.

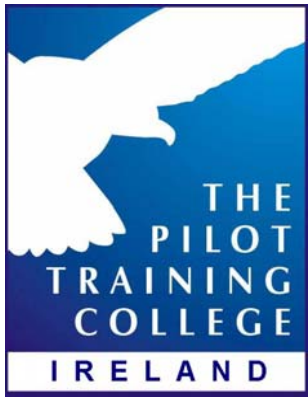

Who are we?

- The Pilot Training College of Ireland is Ireland's premier JAR Flight Training Organisation (FTO) established in 2002
- Irish Aviation Authority (IAA) approved Approval No: IRL/FTO/005-03.
- Principals include former CAA Chief Flight Examiner, Commercial Pilot and Business Executives.

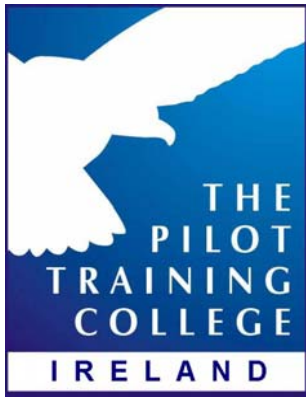

Mission Statement

- Committed to setting the highest values and practices that a pilot will carry throughout his or her career
- Establishing the highest standards of training and testing to guarantee a strong foundation of skills and understanding

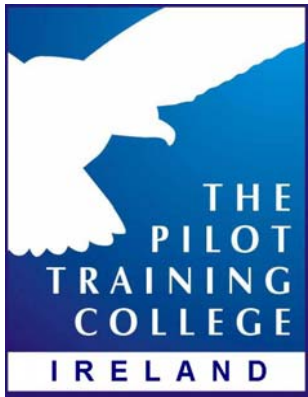

Our Values

- **Professionalism** at all times by setting & maintaining the highest standards of skill, knowledge & ability through conscientious & relentless focus in support of our aims.
- **Attention to Detail** by working together with Colleagues & Customers to ensure everyone achieves their full potential.
- **Focus** through maintaining standards of training & safety in line with best international practice.

Where are we?

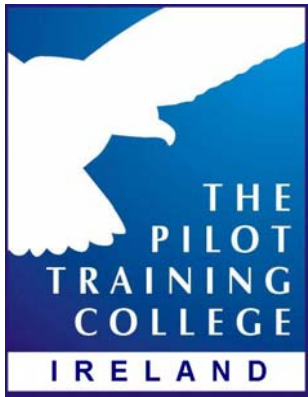

- Located in main terminal building at Waterford Airport, Ireland
- Ideal Learning Environment with freely available airspace in close proximity to major International airports such as Shannon, Cork and Dublin.
- Superb Student Accommodation readily available
- Surrounding area one of the most beautiful in Ireland with exceptionally good weather condition. (The sunny South East).

Our Aeroplanes

Fully equipped (slaved HSI / RMI) aircraft with our own on site Maintenance facility including:

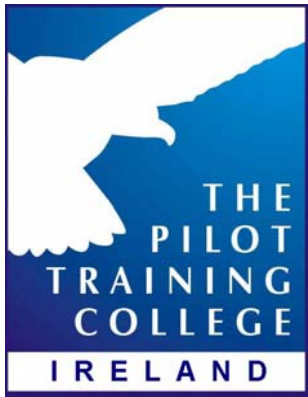

- Robin 2160D
- Piper PA28 Warrior
- Cessna C172
- Piper PA28R Arrow
- PA-44180 Seminole.

Our Courses
